

## **BHONSALE KNOWLEDGE CITY**

This symbol signifies the idea that Bhonsale Knowledge City offers an education which creates coherence and integrity in one's intellectual experience, one that is dynamic, yet holistic and clear in thoughts.

Our multidisciplinary offering is depicted by book, pen and petals, that through form and counter-form create a multi-dimensional experience.

### Late. Yashwantrao Bhonsale

Yashwantrao Sawantbhosle was born to a farmer family in Shirval village of Dodarmarg taluka in Sindhudurg district. He spent his whole life to develop this rural area by initiating various activities in the field of education, health and infrastructure.

He completed numerous projects with the help of government and public support. He contributed towards the development of basic needs such as roads, transport, dams, water supply, electricity supply, post office, banks.

He urged for quality education for each and every student. He has always been an inspiration to many students. With the core idea and his dream towards working in the field of education, we started Shri. Yashwantrao Bhonsale Education Society in 2001.

गणाधीश जो ईश सर्वा गुणांचा । मुळारंभ आरंभ तो निर्युणाचा ॥  
नमूं शारदा मूळ चत्वार वाचा । गमू पंथ आतंत या राघवाचा ॥

## BOARD OF DIRECTORS

**Mr. Achyut K. Sawant Bhonsale**  
Founder, Executive Chairman

### Timeline

#### Services

**Shri Yash Computer Education** was the **first establishment** of Shri. Achyut Sawant Bhonsale **in 2000**. He plunged into **IT Education** to students in **rural areas**.

**Established Aastha group** - a largest **provider** of Technology related services, solutions and **distribution services in Sindhudurg and Ratnagiri**.

**The group scaled the new heights** by providing their services to many Government Offices, Indian Railway, Private Sector Offices, Educational Institutes and thousands of end users **through their channelized distribution process**.

**Consumer satisfaction is the primary motto of Aastha Group.**

#### Education

With his vision to contribute society Shri. Bhonsale then moved further to establish **Bhonsale Knowledge City in 2013** which has the **Educational Hub** with state of the art facilities.

After starting Polytechnic in 2014 he started **1st Mumbai University affiliated Pharmacy Degree College** in district Sindhudurg.

BKC now offers number of courses through its school and colleges, which includes **Engineering Diploma Programs, Diploma Pharmacy, Degree Pharmacy, Master in Pharmacy and International School**.

Yashwantrao Bhonsale International School is the **leading CBSE curriculum school** with real holistic approach. The BKC now has **one of the largest campuses** in district Sindhudurg having 1800+ students and 200+ staff members.

## BRIEF INTRODUCTION OF OUR CORE COMMITTEE

**Adv. Mrs. Asmita A. Sawant Bhonsale**  
President

Advocate by qualification and expert in financial Management. Works as Legal and Financial advisor.

**Mr. Sanjeev Indurao Desai**  
Secretary

Civil Engineer by qualification and expert in infrastructural development and campus designing.

**Smt. Saroj Indurao Desai**  
Vice President

Ex- Principal and great educationist serving as the becken for development.

### MEMBERS

**Mrs. Sanika Sanjeev Desai**

**Mr. Kud Yashwant Sawant Bhonsale**

**Mrs. Janhavi Jaywant Dhond**

## Mr. Achyut Sawant Bhonsale

Founder & Executive Chairman  
Shri Yashwantrao Bhonsale Education Society

At BKC, innovation is core to our global approach to education.

From our state-of-the-art campus to our boundary-crossing learning methods keep us ahead in the race.

The Core Idea behind the establishment of the BKC campus was to educate and nurture local students, to make them industry ready and to make them confident enough to overcome global challenges.

BKC is a campus for the real world. Located in the countryside of Sawantwadi within a reach of every student nearby sawantwadi taluka makes our campus a dynamic place to study. Every year we welcome over 1000+ new students to BKC.

We're committed to the success of our students. BKC offers a range of programmes like Diploma Engineering, Diploma and Degree Courses in Pharmacy (affiliated to Mumbai University), M.Pharm as well as CBSE Curriculum school to support students' career and to develop their leadership skills.

On the threshold of the 21 st Century, the polytechnic offers quality technical education and strives to prepare students with vocational excellence worthy of service to the industry, society and the nation.

Over the period of 5+ years we have received prestigious awards like Best emerging Institute in Maharashtra and Goa region from ISTE. Also, YBP has become the youngest Institute in India to receive NBA Accreditation for its three programs.

Our dynamic teachers combine theory with practice giving you hands-on experience in the classroom through real-life case studies, group work, internships, and networking opportunities.

Many of our lecturers are experienced industry professionals who later on moved into academia. Some of them are researchers who are positively contributing to the challenges of tomorrow.

Discover what makes us different.

“GROWTH  
is not an overnight process.  
All depends on how  
DETERMINED,  
PASSIONATE &  
TRANSPARENT  
we are ...”

## Adv. Mrs. Asmita A. Sawant Bhonsale

President

Shri Yashwantrao Bhonsale Education Society

The need for quality education has never been so acute than it is today. Every child, from every strata of the society has the right to education. However, the availability of quality education, especially in the interiors of the country is difficult. Considering the unavailability of resources and with a thirst for providing quality education, Mr. Achyut Sawant-Bhosale started Shri. Yashwantrao Bhonsale Education Society, Sindhudurga in the year 2001.

The fields of engineering are opening up and the scope has increased multifold. To make it easy for the students to be able to choose this stream of higher education and professional courses after their primary and secondary schooling, the first Polytechnic was opened in Sindhudurg by the Society in 2014. It enabled students to study in the same district without the meticulous travel to other cities or districts for the basics of education.

Civil, Electrical, Mechanical and Computer are the four branches of engineering that the polytechnic offers.

With a further, long term goal of nurturing the talent in Konkan, the trust opened the first B.Pharm college in 2015, and in 2016 state of the art CBSE school. In the year 2017, the trust offered a Diploma in Pharmacy. The year 2018 saw the opening up of another college for Diploma in Pharmacy and an addition of the Computer Stream at the Polytechnic. BKC is now adding up M. Pharmacy curriculum to its Pharmacy college starting from June 2020 affiliated to Mumbai University. With the only aim of fostering the existing talent and making education available to all, the trust, is planning for further expansion in educational courses in coming years.

Apart from these achievements, the trust boasts of hostel facilities on a 29-acre campus (one of the biggest in Sindhudurg). The boys hostel houses 300+ students while the girls hostel houses 250+ students on a secured campus. It also has the best facilities pertaining to a gymnasium, basket ball court, a huge playground, a hygienic mess for the students, a canteen, bus facilities, etc. The campus also has wi-fi connectivity.

The only aim of the trust is to achieve excellence in providing education so that students can grasp existing as well as emerging technologies and inculcating leadership and managerial qualities in them so that they can deliver results in the organisations they join.

“OUR  
INSTITUTION  
works like a family and  
the bond that links  
OUR FAMILY  
is of unconditional support,  
RESPECT  
and joy in each other’s life.”

### Mr. Sanjeev Indurao Desai

Secretary,  
Bhonsale Knowledge City

Education enables a person to face new challenges, achieve progress and lead a successful life. We, therefore, at Yashwantrao Bhonsale Polytechnic, would like to encourage all students to thrive for the best to make them knowledgeable in their relevant branches of engineering with high self-esteem and discipline. Education at our Institution is not only for academic brilliance but also for an ambiance where our ancient cultural heritage and human skills are enhanced.

Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This visionary culture allows and emphasises our wards not only to adopt the present day challenges but also individual responsibilities to the society and our nation at large.

Learning should be based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learner to acquire and apply the knowledge, the whole process will remain superficial. Any engineering institution worth its name looks to optimize the productivity of global leaders.

Our institution has set specific objectives and planned activities for achieving excellence in all spheres of technical education.

The service of the institution in creating personally mature, professionally equipped and service-oriented human resource is really worth mentioning. We strongly believe in academic excellence and do not compromise on teaching standards or discipline. These three things are the springboards on which we operate. People who feel good about themselves produce good results and people who produce good results feel good about themselves. We also believe in total learning and sharing. Have a visit to Bhonsale Knowledge City and feel good to get good education

“AT BKC  
we aren't a team  
just because we work  
TOGETHER.  
we are a team  
because we value,  
TRUST & CARE  
for each other.”

# YASHWANTRAO BHONSALE COLLEGE OF PHARMACY

**Dr. Vijay A. Jagtap** M.Pharm, Ph.D.  
Principal , College of Pharmacy

BKC has grown abundantly in the recent past. It continues to sustain its growth. The brochure is presenting a glimpse of the growth of the education society on many fronts. The all concern Institutes has been simply unstoppable in their progress as all they have been actively involved in various activities that have brought to light the hidden talents of the college students, faculty and staff. The highly supportive and dedicated management members have always stood shoulder with all Institutes and under the leadership of them all Institutes are carrying out their duties with a level of commitment.

The essential purpose of a BKC brochure is to inform, engage and inspire a diverse readership - including alumni, parents, students, faculty, staff and other friends of the Institutes. This brochure has made an earnest attempt in this direction and brought out certain aspects of all BKC Institutes to the eyes of the public so that they may understand and know the BKC even better. I am sure BKC will scale even greater heights in the years to come and serve many more millions in the society.

## INTRODUCTION

Yashwantrao Bhonsale College of Pharmacy (YBCP) is the first ever Pharmacy College in Sindhudurg district introducing pinnacle of excellence in pharma education and research. The commitment for total quality management (TQM) and discipline is prime slogan and motto of our college. To cater the need of technical & professional education in Konkan region especially in Sindhudurg district, YBCP commenced from June 2015 with a state of art ultra-modern infrastructure offering M.Pharmacy, B. Pharmacy & D. Pharmacy courses.

Bhonsale Knowledge City is having all types of facilities like hostel, mess, canteen, sports ground, ATM & transportation. In a very short span YBCP has gained a very high reputation and public faith for its honest & transparent management. It has earned people's trust that every initiative taken by the society will be against the benefit of people and future generation only.

It has taken a huge stride towards providing the advance technical education to each & every rural student of the region.

## DID YOU KNOW ??

Yashwantrao Bhonsale College of Pharmacy (YBCP) is **Sindhudurg's Only Pharmacy College** which is **Affiliated to Mumbai University**

# VISION

Provide pharmacy education to our rural students that optimizes the health and wellness of individuals and communities.

# MISSION

## Mission 01

Disseminate transformative pharmacy practice models through effective infrastructure and learnings.

## Mission 02

Foster a culture of inclusivity that attracts and retains an diverse student, faculty and staff

## Mission 03

To enrich social values by being a torch-bearer of civility, diversity, and mutual respect in our vicinity

Pharmacy  
College

## M. Pharmacy in Pharmaceutics

1

In Pharmaceutics department, students studies preparations, uses, or sales of medicinal drugs of drugs and also are motivated to develop competencies in areas like Novel drug delivery system-NDDS, Pharmacokinetic studies and Regulatory affairs

## Pharmaceutical Chemistry

2

In Pharmaceutical chemistry department, student's studies drug discovery, delivery, absorption, metabolism and also are motivated to synthesize new chemical entities

## Pharmacology

3

In Pharmacology department, students studies uses, effects, and modes of action of drugs and also are motivated to understand the whole body system

## Pharmacognosy

4

In Pharmacognosy department, student's studies knowledge concerned with medicinal drugs obtained from plants or other natural sources and also are motivated to do research in Phytochemistry

## Quality Assurance

5

Quality assurance covers all aspects from design, development, production, installation, servicing and documentation. The two key principal characters of QA are "Fit for purpose" (the product should be suitable for the intended purpose) and "right first time".

## D. Pharmacy

6

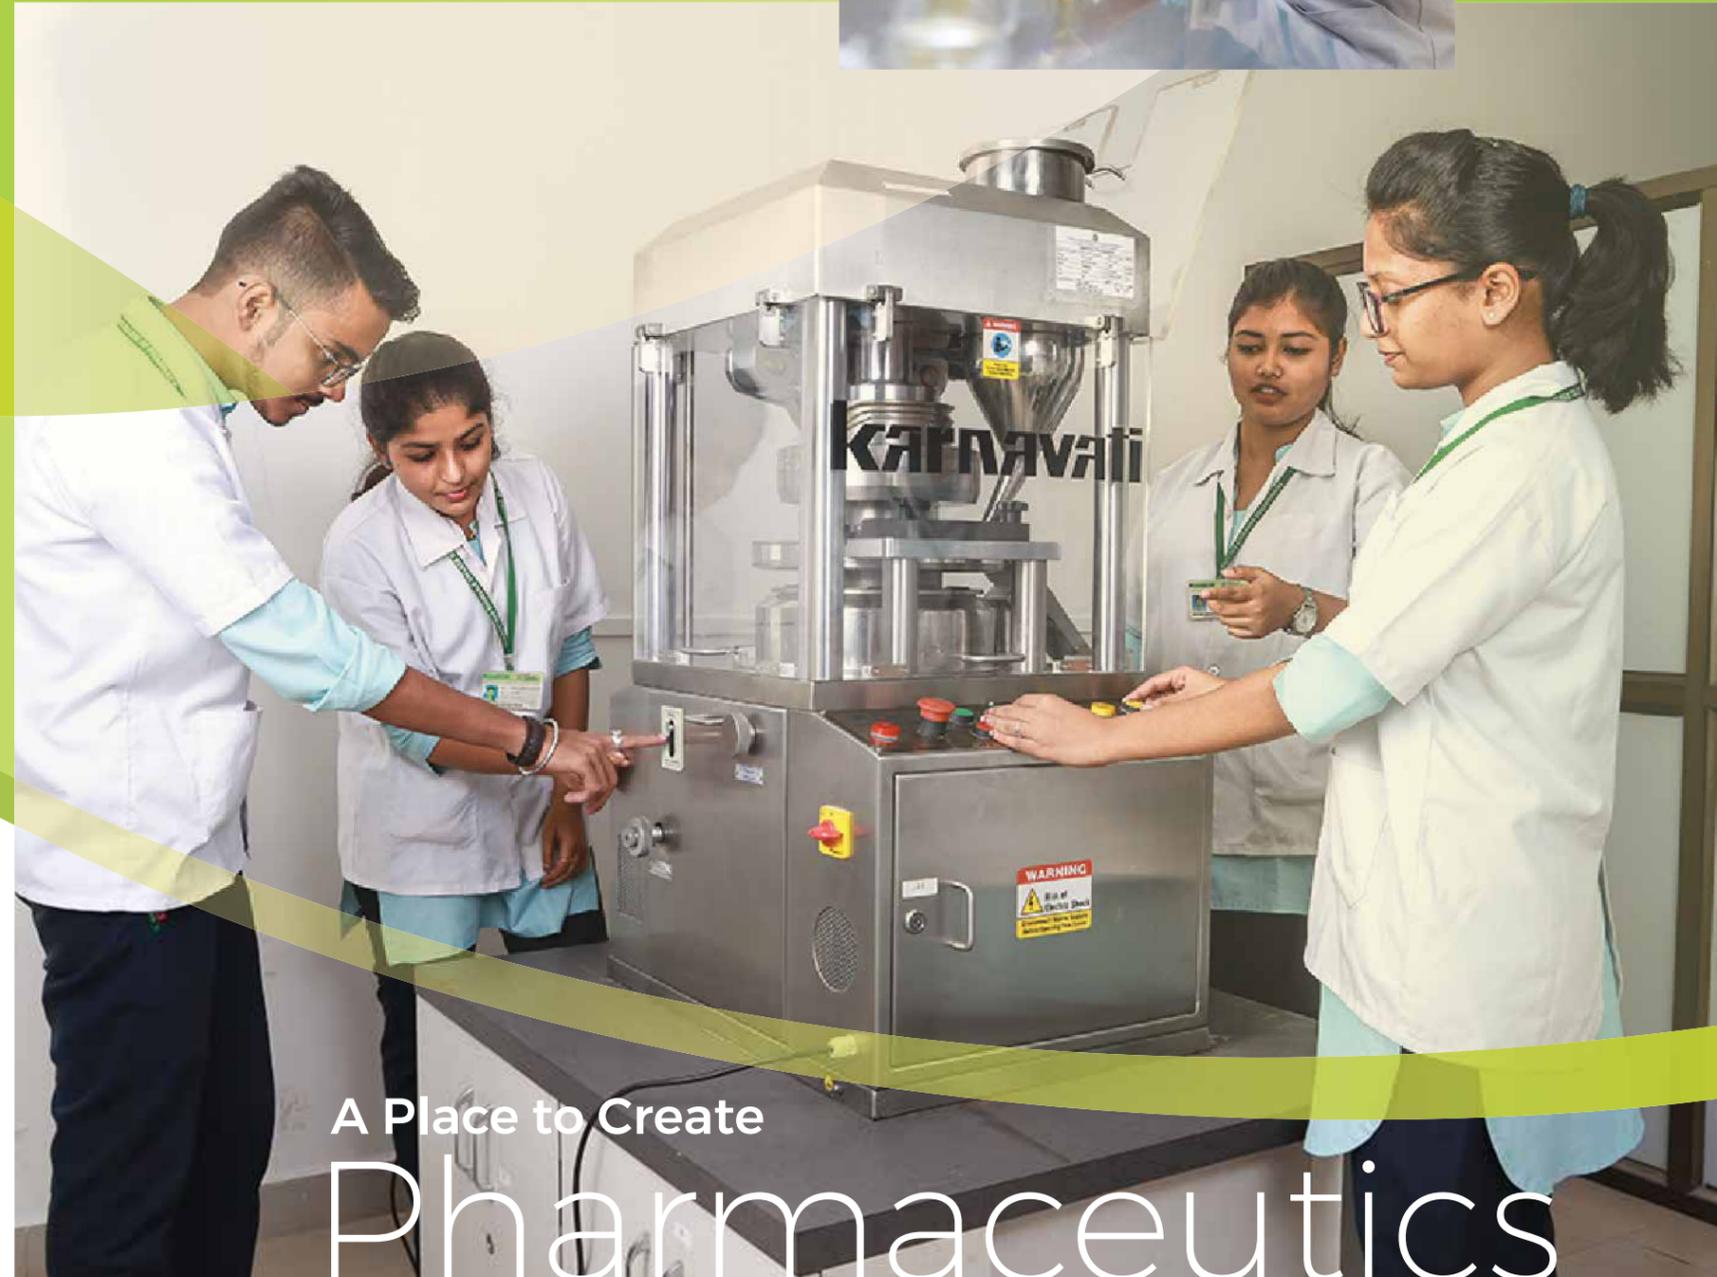

Yashwantrao Bhonsale College runs diploma in Pharmacy course to enhance pharmacy knowledge by providing basic education to the learner for social and economic development of rural area. It is affiliated to Maharashtra State Board of Technical Education (MSBTE), Mumbai

The Department of Pharmaceutics is a place where commitment to excellence in academia, research and development is demonstrated through productivity and success of our faculty and students. We continue to march with times and our program focuses on expanding the scientific avenues for improving the delivery of drugs and therapeutic agents.

### EXPERTISE SUBJECTS

Pharmaceutics, Pharmaceutical Engineering, Physical Pharmaceutics, Formulative Pharmacy, Industrial Pharmacy, Pharmacy Practice, NDDS, Biostatistics and Research Methodology, Biopharmaceutics and Pharmacokinetics, Cosmetic Science, Industrial Pharmacy, Pharmaceutical Marketing etc

A Place to Create  
**Pharmaceutics**

A Place to Explore

# Pharmaceutical Chemistry

Pharmaceutical Chemistry is a stimulating discipline which links many scientific disciplines and allows for collaboration with researchers from other disciplines like biologists, toxicologists, pharmacologists, theoretical chemists, microbiologists, and bio-pharmacists in developing new drugs. One can place himself/herself in a competitive position by having strong background in organic chemistry and medicinal chemistry.

## EXPERTISE SUBJECTS

General Chemistry, Organic Chemistry, Inorganic Chemistry, Biochemistry, Pharmaceutical / Medicinal Chemistry, Computer Aided Drug Design

A Place to Innovate

# Pharmacology

Pharmacology is a subject, which connects the other disciplines of pharmaceutical sciences with medicine. This branch of science equips a student with the ability to appreciate the establishment of dose, dosage, efficacy and safety of medicines, their mechanisms and disposition.

## EXPERTISE SUBJECTS

Human Anatomy and Physiology, Biology, Cell and Molecular Biology, Pathophysiology, Pharmaceutical Microbiology, Pharmacology, Social and Preventive Pharmacy, Experimental Pharmacology, Pharmacovigilance etc.

A Place to Learn  
**Pharmacognosy**

Pharmacognosy is probably the oldest of the modern sciences that involves the study of the physical, chemical, biochemical and biological properties of natural drugs, including the search for new drugs from natural sources. The subject is one of the core branches in the pharmacy curriculum and therefore found an important niche in the Yashwantrao Bhonsale College of Pharmacy.

### EXPERTISE SUBJECTS

Environmental sciences, Pharmacognosy and Phytochemistry, Herbal Drug Technology, Quality Control and Standardizations of Herbals etc.

Quality assurance covers all aspects from design, development, production, installation, servicing and documentation. The two key principal characters of QA are "Fit for purpose" (the product should be suitable for the intended purpose) and "right first time". Quality assurance includes regulation of the quality of raw materials assemblies, product and components, services related to the production and management, production and inspection process.

#### EXPERTISE SUBJECTS

Pharmaceutical Analysis, Quality Assurance, Instrumental Methods of Analysis etc

A Place to Achieve

# Quality Assurance

## LIBRARY

Institute of Pharmacy emphasizes on 360 degree development of the students and trains them to achieve their career ambitions and goals ultimately producing worthy citizens of developing and progressing country. To cater to the needs of the users as per the mission statement of the institute, Library plays a vital role in the collection development and dissemination of scientific information and includes a wide range of volumes of different branches of Pharmaceutical Sciences and allied subjects and also provides extensive access to leading Indian and international research journals. It provides online resources as well as digital resources. It has adopted advanced softwares for Integrated Library Management.

## COMPUTER CENTRE

The age of technology is upon us and it is becoming increasingly difficult for someone to function without a knowledge of computers. At YBCP, we realize this and have a state-of-the-art computer centre in the College premises. Centre has adequate number of latest PC with required software installed. This centre is specially designed to educate the students with latest technology so that the students get comfortable with technology from a young age.

## OUR ESTEEMED RECRUITERS

# training & placement

DEPARTMENT

## TPO OBJECTIVE

The training and placement cell of Institute is actively involved in industrial training, project work, skill development as well as entrepreneurship development and placement of students, The objective of T & P cell is to bridging the gap between pharma industry and academic Institute for better development of Pharma students and make them employable. Cell has signed various collaboration through which Institute arranges various guest lectures, GPAT, GRE, IELTS, CMAT, MPSC, UPSC workshops, industry and field visits, pre-campus placement training and aptitude test. The Institute has strong alumni association through which students are made aware current scenario and expectation of Pharmacy field. The E - cell organizes and also encourage students to participate in various start up and entrepreneurship development program.

## ROLE OF TRAINING & PLACEMENT CELL

Interview Preparation	Locating Job Opportunities
Carrier Counselling	Motivational Talks
Entrepreneurship Development	Personality Development
Faculty Skill Enhancement	Campus Interview

# Research and Professional Activities

The Institute gives top priority to research and development and professional activities. Institute has CPCSEA approved animal house. The students and faculty members are encouraged to get involved in research through avishkar, minor and major grants, projects, publications, presentation, consultancy, patent and book publications. Institute also arranges various seminars, workshops, expert lectures, industry interaction and symposium. Institute also celebrates various professional days and weeks.

Hon. Mrs. Saili S. Masal, Registrar (MSPC) and Hon. Mr. Vijay Patil, MSPC Council President

Hon. Shri. Vinayak Raut, Member of Parliament for Ratnagiri - Sindhudurg District

Visit by His and Her Highness Shri. Balraje Bhosale and Ranisaheb Sau. Shubhadadevi Bhosale

Hon. Dr. John D'Souza, Principal, Tatyasaheb Kore College of Pharmacy, Warnanagar and Hon. Dr. Anthony Crasto, Principal Scientist, Glenmark, Mumbai

Hon. Dr. Sudha Rathod, Principal, Oriental COP, Mumbai, Hon. Dr. K. B. Burade, Ex - Principal, Govt. College of Pharmacy, Ratnagiri

Hon. Minister Home (Rural), Finance and Planning Shri. Deepakbhai Kesarkar

# Guest of Honour

# Campus

**A Place...**  
Where you want  
to stretch your limits.

As graduation day approaches, pharmacy students may be experiencing many emotions, such as excitement about the big day and anticipation of the next steps of becoming a pharmacist. YBCP always congratulates to their graduates on reaching this milestone, as they have worked hard during their pharmacy school journey.

# Convocation Ceremony

# #startupindia

## WOMEN WANNAPRENEUR AWARD

Maharashtra Start-up Yatra, Bootcamp - Grand Finale at Nagpur. Our B. Pharmacy students received "Women Wannapreneur Award" from the Honourable Union Cabinet Minister Shri. Nitin Gadkari. Ms. Mayuri Sawant, Ms. Pranali Kokare and Ms. Shweta Mahadik represented their ideas on "Human Friendly Mosquito Repellent" at Big Idea Summit held at Bhanushali Chamber of Commerce (BCOC) at Mumbai.

## BEST INDUSTRY LINKED INSTITUTE

## INNOPHARM EXHIBITION

## SINDHU-VIKAS DUT

Yashwantrao Bhonsale College of Pharmacy has been awarded with "Best Industry Linked Institute Survey 2019 - Platinum Category" for getting score band above 30 in AICTE - CII Survey of Industry linked Technical Institutes

Yashwantrao Bhonsale College of Pharmacy has been awarded with "Best Participant College at INNOPHARM-3, International conference, Goa.

Yashwantrao Bhonsale College of Pharmacy students has been awarded 2nd Prize in "Sindhu-Vikas Dut" Competition for actively organising social activities.

# Achievements

## WORLD PHARMACIST DAY

YBCP Celebrate “World Pharmacist Day” to celebrate the contribution of pharmacists towards the world on 25th Sept every year. The day is celebrated with an objective to create awareness about the role of a pharmacist in improving health and highlight the importance of medicine experts in people’s life.

## PHARMACRAFT EXHIBITION

YBCP organised 1 day PharmaCraft exhibition where all students exhibited various demo lab equipments, machines and human organs and explained its mechanism, working and construction. The event was inaugurated by Dr. Subhash Deo, Ex-Principal, Gogate Joglekaar College, Ratnagiri

Yashwantrao Bhonsale College of Pharmacy (YBCP) in collaboration with Indian Pharmaceutical Association, Maharashtra State Branch (IPA-MSB) organised one day national symposium on ‘Novel Trends in Drug Design & Natural Product Chemistry’.

## NATIONAL SYMPOSIUM

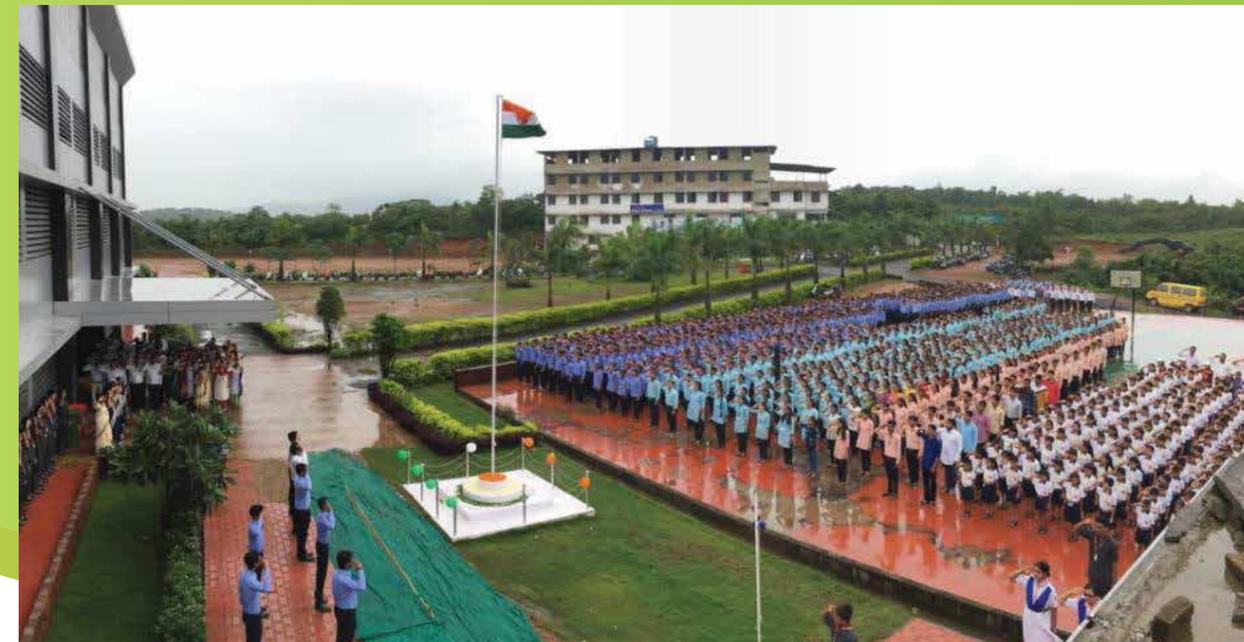

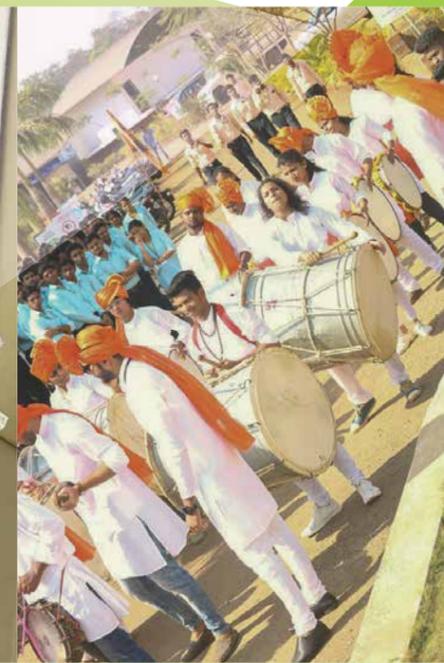

Training and placement cell of Yashwantrao Bhonsale College of Pharmacy arrange Industrial Study Tour every year for third year degree students

## INDUSTRIAL VISIT

# Annual Activities

# Cultural Activities

Cultural awareness and participation play an integral role in student's education.

**Our cultural programme has the following aims:**

- To give all students the opportunity to be involved in culturally enriching activities.
- To give those students with special talents a chance to extend themselves and to grow in their area of expertise.
- To expand our students' appreciation of cultural activities.

# Sports Activities

The Institute motivates students to participate in extracurricular as well as sports activities for overall development in acquiring team work and interpersonal capabilities. Students actively organize and participate various event like youth festival, fresher's party, teacher's day, annual cultural and sports event, parents and alumni meet. Students also celebrates various days like women's day, Independence and Republic day, Reading Inspiration and Library Day. Institute organizes various sports activities and encourage students to participate in various sports events organized by University and board.

# TRANSPORTATION

BKC has an extensive fleet of well maintained buses which cover a large radius around the institute. All our buses are manned by qualified and experienced drivers. The buses have a conductor/attendant to ensure the safety of all the students on board. The buses have all mandatory clearances from concerned authorities to ply on the road.

Students learn a lot of things while they interact with each other. Travelling together every day teaches students to look out for each other, to share space and to learn to adhere to rules and regulations. Bus travel also blurs the social and economic difference among students since all of them are bound by the same instructions regardless of their background. Group travel teaches students the importance of conservation of resources.

BKC also operates shuttle service between Campus to Sawantwadi ST Depot for Students, Faculties and Staff members

# Boys & Girls Hostels

## HOSTELS

BKC has two separate hostels for boys and girls with a housing capacity of approximately 300+ boys and 250+ girls. The hostel is an extension of the home, providing warmth and opportunities for students to grow into individual personalities. Both hostel has spacious well ventilated rooms, individual cots with cupboards. It also provides round-the-clock security and vigil for the safety of the inmates.

**I. S. DESAI BOYS HOSTEL**

**TARABAI BHONSALE GIRLS HOSTEL**

## BKC CLINIC

BKC has a fully operational health clinic. Students are provided access to the clinic for initial treatment in emergency medical situations that occur during working hours and/or at events. The institute covers the cost of this initial treatment.

## GYMNASIUM

BKC is having its own multiplex gym with ultra modern facilities and equipments. The main objective of the gym is to help the students develop more strength and stamina in terms of their health and other activities.

The gym is equipped with Treadmills, Weight bars, Cross Trainers, Rowing Machine, Crunches Pads, Bench-press and Cycling Machines that will help the students to burn the extra fat and also energize them from their lethargic approach to the surroundings.

We all know a healthy body is more active and largely helps in better concentration towards everything. A gym will help not just to keep fit but also the students will be active and attentive in their classes.

# Facilities

# Facilities

## SOLAR ENERGY

Solar panels for institute have many benefits. In addition to decreasing an institution's carbon footprint, solar panels also generate a great deal of power.

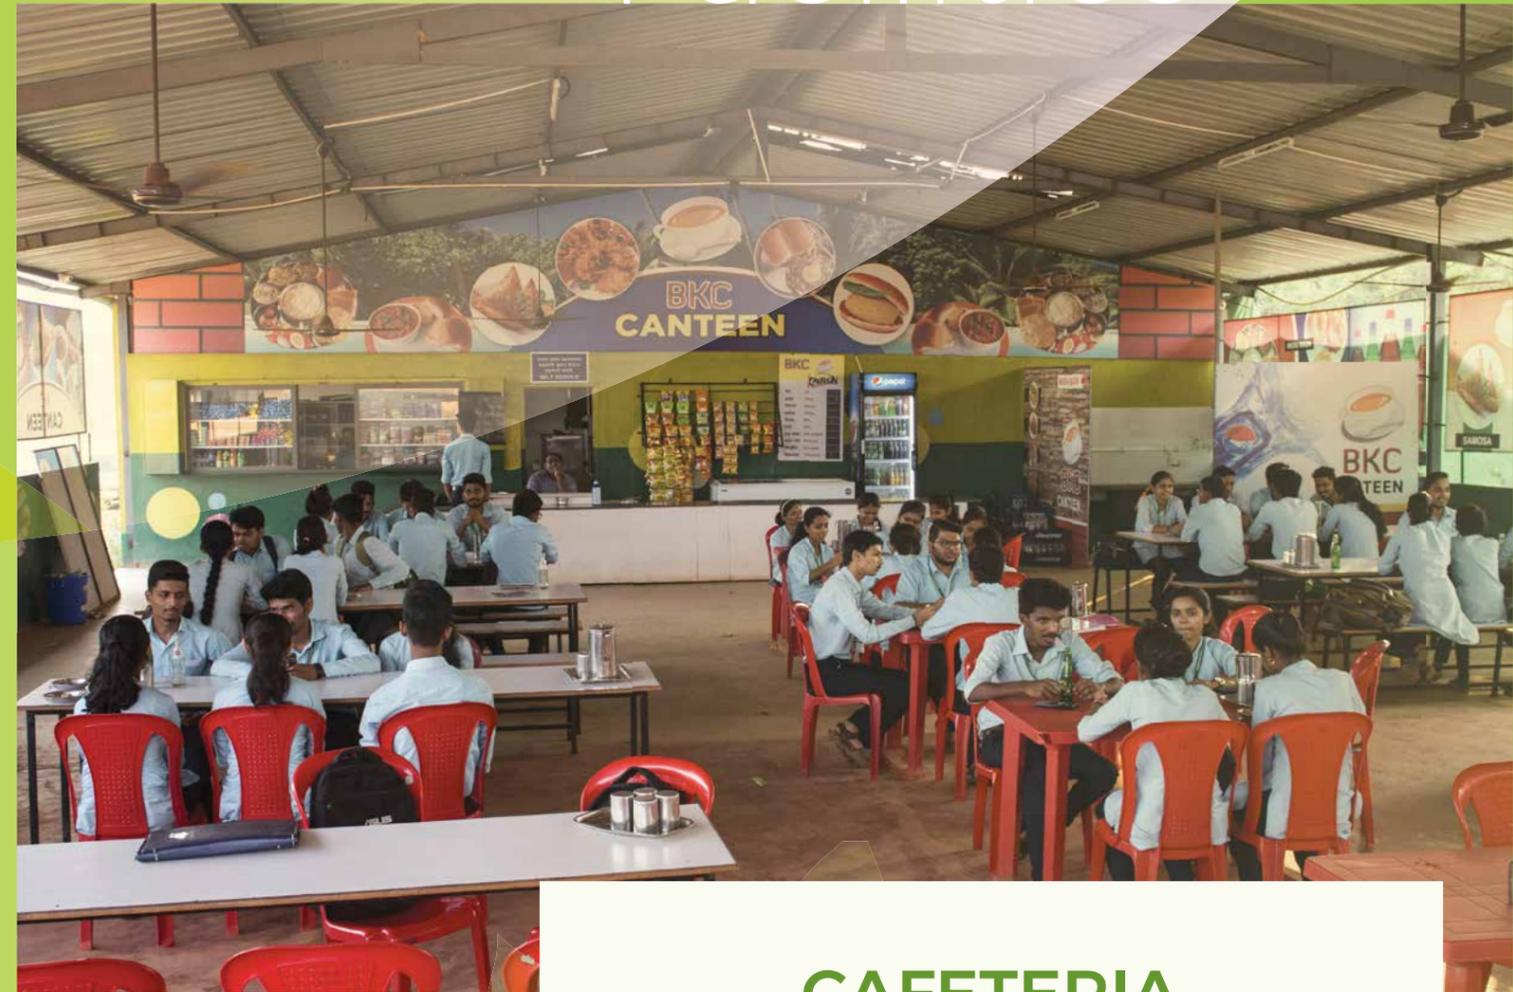

Electric prices have risen over the past ten years. Because they use a great deal of electricity, schools and universities have been some of the primary victims of these price hikes.

Fortunately, solar power is a free source of energy, found in abundance throughout the world, and advanced technology and skilled installers have made it even more accessible for institutions.

Designed to work on cloudy days, in part sun, and even in wintery environments, solar panels can generate a significant amount of power for our campus

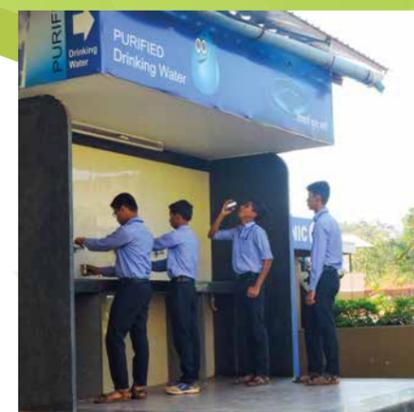

SECURED CAMPUS

## CAFETERIA

BKC cafeteria is well-planned, spacious and clean and can accommodate a large number of students at one time. It is replete with comfortable seating and uses sensible cooking techniques with less oil and spices.

There is also a wide variety of snacks and beverages on our menu and can be availed by both staff and students at nominal prices.

WATER STATION

## INTAKE QUOTA

COURSE	DTE CODE	INTAKE	DURATION	UNIVERSITY
M.PHARM (PHARMACEUTICS)	3480	15	2 YEARS	MUMBAI UNIVERSITY
B.PHARM		100	4 YEARS	

### M. PHARMACY (PHARMACEUTICS) COURSE

#### Eligibility

Students who have passed B. Pharm from AICTE approved colleges are eligible for admission to M. Pharm. They must have obtained at least 55% marks in B. Pharm (For reservation and sponsored candidate 50%) along with obtained score in GPAT exam.

All relevant information for admission procedure can be monitor on [www.dtemaharashtra.gov.in](http://www.dtemaharashtra.gov.in)

### B. PHARMACY COURSE

#### Eligibility

##### A) First Year

Maharashtra State Candidature Candidates and All India Candidature Candidates.-

- The candidate should be an Indian National;
- Passed HSC or its equivalent examination with Physics and Chemistry as compulsory subjects along with one of the Mathematics or Biotechnology or Biology and obtained at least 50% marks (at least 45 % marks in case of candidates of Backward class categories and Persons with Disability belonging only to Maharashtra State) in the above subjects taken together;

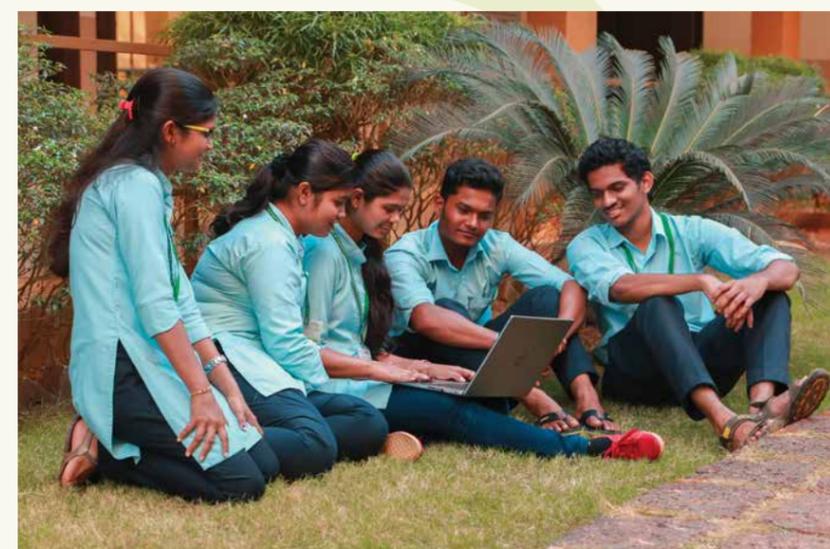

### B. PHARMACY COURSE

- Obtained Score in CET.
- Any other criterion declared by appropriate authority from time to time

#### B) Direct Second Year (Lateral Entry)

For Maharashtra State Candidature Candidate and All India Candidature Candidate-

- The candidate should be an Indian National;
- Passed Diploma Course in Pharmacy with at least 45 % marks (at least 40 % marks in case of candidates of Backward class categories and Persons with disability belonging to Maharashtra State only) from an All India Council for Technical Education or Pharmacy Council of India or Central or State Government approved Institution or its equivalent.
- Any other criterion declared by appropriate authority from time to time

# VISION

To enhance pharmacy knowledge by providing basic education to the learner for rural developments.

# MISSION

## Mission 01

Encourage the faculties for faculty development program to facilitate teaching learning process.

## Mission 02:

Provide environment for the students to have academia and co-operate connects.

## Mission 03:

Provide basic infrastructure facility for the students that encourage the social and economic development of rural area.

# Diploma Pharmacy

## COURSE HIGHLIGHTS

### INTAKE QUOTA

DTE CODE	INTAKE	COURSE DURATION
3480	60	2 YEARS
3489	60	2 YEARS

### Eligibility

1. The candidate should be an Indian National.
2. Passed the HSC Science examination with Physics Chemistry as compulsory subjects along with one of the subject Mathematics or Biology (Botany and Zoology).
3. Any other criterion declared by appropriate authority from time to time.

### Scholarships:

Financial assistance is provided to the students by providing Scholarships as per Govt. norms.

### Career Prospects:

1. Higher Education (B Pharm, Pharm D, M Pharm etc.)
2. Pharmacists in Government Hospitals, Clinics, Private Hospitals, Community Health Centres
3. Medical Representatives, Medical Transcriptionists, Technical Supervisors
4. Chemists, Pharmacists, Quality Analysts
5. Production Executives, Scientific officers in private firms.
6. Own private drug store etc.

# WHAT STUDENTS SAY...

The journey from 'budding Pharmacist' to the 'Pharmacist' was a memorable one. YBCP has become a great Part of my life and I will always cherish all the memories I have gained here.

**Shriya Kudapkar | MS, UCC, Ireland - UK**

YBCP has taught me the professionalism which is very important for my future journey and success. I feel blessed to be a student at this institute, it was a great experience being a part of BKC. I would also like to thank YBCP for giving me such wonderful friends for life.

**Ankita Dhavale | USDS Affiliate, Tata Consultancy Services, Thane**

YBCP has given me the best people of my life who are truly, dedicated to their work. All teachers here are the heart of YBCP. I will always have service of love to YBCP in my heart. Hope in future we will all come out with an innovative co-ordination and helping hands for extremely growing Pharmacy field to contribute to welfare of community and overall human kind.

**Durgesh Bidye | PG-QA, Goa College of Pharmacy**

It was a great experience studying in this college, it has provided me all the essential skills and knowledge for my future. The college is best in teaching and non-teaching staff is very supportive and helpful. I am very thankful to all.

**Vaishnav Kesarkar | Entrepreneur**

Although knowledge is an essential Part of our life, experiences are also having a great value in our life. I think those good experiences were experienced by me since 1st year. Those 4 years were actually the most exploring years for us and will always help us all in our future life. I am thankful to the teaching and non-teaching staff for their kind cooperation always.

**Kalpesh Parab | MBA, Bharti Vidyapeeth Institute of Management and Research**

I belong to the 1st batch of YBCP and it feels great to be a part of such a fast growing institute. I feel privileged because I have grown with the Institution, I have seen its progress from day one, it feels really very great to see it, where it has reached today.

**Kunal Sawant | Asst. Marketing Manager, Esschem, Colaba**
