DIRECTOR'S DESK

Mr. Achyut Sawantbhonsale
Hon. Executive Chairman

It is a matter of great pleasure and satisfaction that Yashwantrao bhonsale college of pharmacy has come up with the sixth issue of the college Newsletter "Pharmaphile". I believe that the newsletter will serve as a window through which the complete profile of the academic and co-curricular activities, achievements and progress made during the stipulated period can be viewed. Our educational programmes lay emphasis on all round personality development and also in inculcating human values and professional ethics which help our students become more humane and socially alive to lead a meaningful life. Best wishes for the success and bright future of "Pharmaphile".

PRINCIPAL'S DESK

Dr. Vijay Jagtap
Principal

I am delighted to welcome you to this vivacious institution of learning. We recognized that the primary role of an educational institution is to channelize the energies of youth towards productive & creative goals through an unfettered knowledge.

Innovation in the educational system is the need of an hour. Here we promise to impart high quality education to the youth which is very substantial & potent task. A wide range of multi-dimensional activities are organized here which go a long way in propelling the self belief, confidence in decision making & problem solving skills.

EDITOR'S MESSAGE

Ms. Supriya B. Rawool

Ms. Priyanka B. Malbari

"Opportunities don't happen. We create them." Here at Yashwantrao Bhonsale College of Pharmacy, we believe in creating opportunities and taking up new challenges to move forward in life with zeal. With such enthusiasm and zeal, YBCP participated in many, more achievements are certain to take place! With the motto of nation's safety, security and development NSS team organized the great events in which they responsibly helped society. To encourage students to take up new challenges a career guidance and personality development seminar and lecture was organized. After all, we create opportunities everyday with our enthusiasm for life as we just do not wait for circumstances to be ideal and gain experiences which leads us towards growth. This newsletter will be a medium to provide proper acknowledgement and respect all of these efforts and its results. It is expected that wide support for this mission will be provided through the readers valuable suggestions and comments. Happy Reading!

VISION AND MISSION OF THE INSTITUTE:
