Vol. X, Issue I

CHAIRMAN'S DESK

Yashwantrao Bhonsale College of Pharmacy (YBCP) is the first ever Pharmacy College in Sindhudurg district introducing pinnacle of excellence in pharma education and research.

Bhonsale Knowledge City campus is situated amidst idyllic hills & lush green ambience to increase the harmony between study and nature.

To cater the need of technical & professional education in Konkan region especially in Sindhudurg district, YBCP commenced from June 2015 with a state of art ultra-modern infrastructure offering B. Pharmacy, D. Pharmacy and M. Pharmacy courses.

Bhonsale Knowledge City is having all types of facilities like hostel, mess, canteen, sports ground, ATM & transportation. In a very short span YBCP has gained a very high reputation and public faith for its honest & transparent management.

It has taken a huge stride towards providing the advance technical education to each & every rural student of the region.

Mr. Achyut K. Sawantbhonsale
Hon. Executive Chairman

PRINCIPAL'S DESK

Dr. Vijay A. Jagtap
Principal

It gives me an immense pleasure to present before you the college information in form of newsletter. Yashwantrao Bhonsale College of Pharmacy (YBCP) is the first ever Pharmacy College in Sindhudurg district introducing pinnacle of excellence in pharma education and research. The commitment for total quality management (TQM) and discipline is prime slogan and motto of our college.

YBCP has excellent infrastructure and an experienced and dedicated team of faculty and staff. Though in its nascent stages, the Institute is well equipped and complies with all requirements of the AICTE, DTE and Mumbai University.

The field of Pharmacy is redefining itself to meet 21st century healthcare needs, but at YBCP our primary focus is the integration of patient care, ethics, and knowledge. We are committed to deliver quality pharmacy education in order to develop students who will be professionally, intellectually adept and socially responsible.

So join with us to grow and to take pharmacy profession as a satisfying and rewarding career option!

EDITOR'S MESSAGE

We are happy to inform all the readers that we have published the 10th volume of Pharmaphile. Here at Yashwantrao Bhonsale College of Pharmacy, we believe in creating opportunities and taking up new challenges to move forward in life with zeal.

With such enthusiasm, YBCP participated in many, more achievements are certain to take place. We create opportunities everyday with our enthusiasm for life as we just do not wait for circumstances to be ideal and gain experiences which leads us towards growth.

This newsletter will be a medium to provide proper acknowledgement and respect all of these efforts and its results. This newsletter was one such cherished work that had its roots in the persuasion.

We hope you enjoy every stop of this tour of college today. We welcome your feedback and will see you again in next term with new issue.

Happy Reading !

Ms. Supriya B. Rawool
Lecturer

Ms. Priyanka Malbari
Asst Professor

VISION :

Provide pharmacy education to our rural students that optimizes the health and wellness of individuals and communities.

MISSION :

1. Foster a culture of inclusivity that attracts and retains diverse student, faculty and staff.
2. Disseminate transformative pharmacy practice models through effective infrastructure and learning.
3. To enrich social values by being a torch-bearer of civility, diversity and mutual respect in our vicinity.

Digital Era: Effect of Pandemic

The Covid-19 pandemic has led to an inevitable surge in the use of digital technologies due to the social distancing norms and nationwide lockdowns. People and organizations all over the world have had to adapt to new ways of work and life. It's not wrong to say that COVID-19 pandemic has accelerated the use of things digitally in our day to day life.

Introduction

Work from Home: The pandemic has led to a massive shift in the way we work. Many people have started working from home, which has led to a significant increase in the use of digital technologies. This has led to a massive increase in the use of digital technologies, which has led to a massive increase in the use of digital technologies.

Analysis

Internet services have seen a massive increase in usage from 40% to 100% compared to pre-pandemic levels. Video-conferencing services like Zoom have seen a ten times increase in usage. Cities like Bangalore have seen a 100% increase in internet traffic.

Conclusion

It is evident that a pandemic can have severe consequences including changing the global nature of the world, accelerating digitalization, and creating new challenges. For the Covid-19 pandemic, we anticipate a massive increase in digital usage with impacts on all aspects of work and life. We are looking forward to our continued digitalization in our responses to and shaping of the emerging trends.
