DETAILS OF PROGRAM

The ASPIRE club of Yashwantrao Bhonsale college of Pharmacy in association with P&G organized the continuous education program introduction and enrolment on right to access.

This educational program was hosted by P&G to benefit the medical and paramedical students in keeping them updated with the most recent developments and information about various common ailments, their causes and remedies.

This program was hosted digitally though, by engaging students and delivering them interesting educational videos. These videos were totally free of cost hence they have a “RIGHT ACCESS”.

The students of second year and first year B. Pharmacy were benefited by the program and also had enrolled for “Right to access”.
