

## KALEIDOSCOPE

7<sup>th</sup> March, 2018

### “Guest lecture and training program on Disaster Management: CPR - A Life Saving Technique”

Cardiopulmonary resuscitation (CPR) can help save a life during a cardiac or breathing emergency. In order to help someone in need, YBCP has organized training workshop on 7<sup>th</sup> March, 2018 with coordination of Disaster Management Cell and Sindhu Vikas Dut campaign, Collectorate Office, Sindhudurg.

On this occasion; Disaster Management Cell representative and expert Hon. Mr. Praveen Sulokar has been invited. Inauguration of session was done by BKC Administrative coordinator Hon. Mrs. Sunetra Phatak alongwith Hon. Principal Dr. Vijay Jagtap and YBDP Hon. Principal Mr. Tushar Rukari. Session was attended by 280 students along with YBCP and YBDP teaching and non-teaching faculty members. Number of students also performed demonstration and reveal technique.

The Session was made successful by Assistant Professors Mr. Tanmay Patwardhan (Pharmacology Department). And it was concluded by vote of thanks expressed by MS. Namita Bhonsale (Faculty member, YBCDP). Yashwantrao Bhonsale College of Pharmacy, Sawantwadi really feels proud to be associated with Sindhu Vikas Dut campaign, Collectorate Office, Sindhudurg to arrange the Disaster management Training session successfully.
