Sparsha S. Bandekar

Participating student: Third Year B.Pharm. (57 students)

Training and Placement Cell of YBCOP, Sawantwadi had arranged Industrial study visit at Glenmarks Pharmaceuticals, Mapusa–Goa as on 23rd February, 2018. During the visit, the day started with the presentation of HR Department (Human Resource Department) of Glenmarks Pharmaceuticals, Mapusa, Goa. Mr. Santosh Planography, Assistant HR Manager Interacted with our students & highlighted mainly the growth, status, accomplishments, future projects, achievements and key milestones of the company. The company specializes in manufacturing almost every possible dosage forms. Students were allowed to closely observe the online production of various products. The various large-scale pharma manufacturing equipment and its applications were also keenly observed by our students. This made our students to correlate their theory with practical application in pharma manufacturing field. The officials at Glenmarks pharmaceuticals were also impressed with curiosity of our students to learn the subject. The students were escorted by faculty members who guided and explained them about processing of pharmaceutical products at various stages of visit to pharma plant. The students were very happy and felt enriched after visiting a pharma manufacturing plant. The purpose of organizing these visits is to make the students get an idea about the industrial work and manufacturing process from a practical point of view get fulfilled And It also helps the students to make their studies interesting as they can observe the things they study from their theory books. We along with student would like to extend our gratitude to company management and Mr. Virendra Athalekar (QA Dept.), Mr. Santosh Panigrahy, Mr. Omkar Parab (HR Dept.) for permission and support they gave to make our visit a success with accomplishment of objective. The Industrial visit was made successful by Assistant Professors Mr. Sanket M. Gandhi (Pharmaceutics Department), Mr.Utkarsh Nagvekar, Rashmi H. Mahabal (Pharmaceutical Chemistry Department) and Ms. Sparsha S. Bandekar (Pharmacognosy Department).
