“Three students from yashwantrao Bhonsale College of pharmacy were selected in TCS, Thane as Team member of Pharmacovigilance Department.”

It is very proud moment that three students from yashwantrao Bhonsale College of pharmacy were selected in TCS, Thane as Team member of Pharmacovigilance Department namely Ms. Shruti Dhavale, Ms. Ankita Dhavale & Ms. Mamta Bagve.

Tata Consultancy Services (TCS) is software services consulting company headquartered in Mumbai, India. TCS is the largest provider of information and business process outsourcing services in Asia. TCS is a flagship subsidiary of one of India's largest and oldest conglomerate company, the Tata Group, which has interests in areas such as energy, telecommunications, financial services, manufacturing, chemicals, engineering, materials, government and healthcare. The life sciences companies are witnessing exponential volumes of Adverse Event (AE) data being generated for their products by the ecosystem.

Selection of our students in such renowned organization is very appreciable & YBCP congratulate them for their success & wishing them for bright career.
