“It’s time to step up to the plate and get passionate about your work commit to making e-learning courses that don’t bore people to tears but instead inspire people and motivate them to learn more skill change a certain behaviour and improve their performance.”-Cammy Bean. Hence a free online foundation e-certificate course on "Pharma Change Control Guidelines" was organised by Yashwantrao Bhonsle College of Pharmacy, Sawantwadi, Maharashtra in the lockdown period of COVID -19 on 29/04/2020.

Change control guidance covers recommended reporting categories for post approval changes for drugs other than specified biotechnological and synthetic biological products. It was beneficial for all pharmacy students and other pharmacy professionals. Based on these guidelines a quiz was organised through google form and the link was shared with students and all pharmacy professionals. The course material reading material link was provided so that the candidates can read and prepare for the quiz as a part of the online quiz.

The following was the link for online quiz
