OBJECTIVE:

Industrial visits provide the students with an opportunity to learn practically through interaction, working methods, and employment practices. Students visit the renowned pharmaceutical industry, which helps students generate new ideas for research. Industrial visit helps students to combine their theoretical knowledge of business operations with the practical knowledge of its actual functioning. Industrial visits grant the students a great opportunity to interact with industries and know more about the industrial environment. The objective of the visit was to provide in-depth learning about the real-life environment of industry operations.

About The Programme:

PLAN B club and Training & Placement cell of the Yashwantrao Bhosale College of Pharmacy in association with Centaur Pharmaceutical Ltd. organized an industrial visit for Third year B. Pharm students at Centaur pharmaceutical Ltd., Mapusa, Goa, on 01st October 2022 from 10.30 onwards.

The objective of an industrial visit is to provide the students an insight into the internal working of companies. Various departments like warehouse, packaging, production, quality control and quality assurance head updated students about their departments regarding each activity of sterile and non-sterile formulation development like ointment, creams, and eye drops. Unit head Mrs. Sushma Naik mam and HR Mrs. Medha Korgaonkar gave an overview of the unit plant. Mr. Nanduskar sir (Quality control department) also gave all the possible help while organizing the visit. The visit was successfully carried out under mentoring of TPO coordinator Ms. Gauravi Sonsurkar and Spandan Club Head Dr. Barse.

An industrial visit was a grand success and efforts put in by Training Placement Cell proved to be fruitful under the guidance of Dr. Vijay Jagtap and the PLAN B club & successfully organized by TPC coordinators.
