## **OBJECTIVE:**

Industrial visits allow the students to learn practically through interaction, working methods, and employment practices. Students visit the renowned pharmaceutical industry, which helps students generate new ideas for research. Industrial visit helps students to combine their theoretical knowledge of business operations with the practical knowledge of its actual functioning. Industrial visits give the students a great opportunity to interact with industries and learn more about the industrial environment. The objective of the visit was to provide in-depth learning about the real-life environment of industry operations.

## **About The Programme:**

PLAN B club and Training & Placement cell of the Yashwantrao Bhosale College of Pharmacy in association with Simchem Private Ltd. organized an industrial visit for Third year B. Pharm students at Simchem Private Ltd., Pernem, Goa, on 15<sup>th</sup> October 2022 from 10.30 onwards.

The objective of an industrial visit is to provide the students with an insight into the internal working of pharmaceutical industries. Various departments like warehouse, packaging, production, quality control, and quality assurance head updated students about their departments regarding each activity of formulations like tablets. Simchem plan head Hon. Mr. Jitendra Narvekar, Unit Head Mr. Saiprasad Deshpande, and Quality Control Unit Head Mrs. Bhagyashree Rane Ma'am gave an overview of unit plan and best wishes to all students. The visit was successfully carried out under mentoring of HOD, Pharmaceutics, Mr. Tushar Rukari, and TPO Head Ms. Namita Bhosale.

An industrial visit was a grand success and efforts put in by Training Placement Cell proved to be fruitful under the guidance of Dr. Vijay Jagtap and the PLAN B club & successfully organized by TPC coordinators.
