## **OBJECTIVE:**

Undoubtedly, students of today are the future employers and employees of profitable global businesses. For students to stand out as promising assets to multinational organizations, they need to invest in the sharpening of what are labelled as soft skills. Through soft skills training programs, students will be able to better handle interpersonal relationships with a strong sense of empathy. They will also be in a favorable position to monitor the emotions of others so as to come up with well-informed perceptions about others' behavior and thinking patterns. Through soft skills trainings, students will be able to motivate themselves to take on leadership roles so as to attract the attention of others.

## **About The Programme:**

PLAN B club & Training & Placement Cell of Yashwantrao Bhonsale College of Pharmacy organized a Expert Lecture on "Soft skills you need to achieve Career Growth" on 17<sup>th</sup> February 2023 from 10.30 am onwards.
