Objectives:

1. To make students aware of Industrial aspects.
2. To introduce students with the various guidelines, rules & regulations of industry.
3. To explain them different manufacturing & testing procedures carried out in industry.
4. To make their mentality industry ready.

Introduction:

Pharmaceutical industries are one of the most disciplined premises. They need to follow very strict disciplinary guidelines and practice all the process with utmost care and in ethical way, as their products are directly connected to human life. They also need the highly skilled professionals to work in there to reduce the errors.

The syllabus taught in Pharmacy college provides the theoretical knowledge which should be supported with the experienced insights of various industrial persons. For this purpose, institutes & industries collaborate with each other so that they can share expertise with each other.

With this concept in mind, the Industry Expert Lectures were organized jointly by Training & Placement cells of Yashwantrao Bhonsale College of Pharmacy, Sawantwadi & Yashwantrao Bhonsale College of D. Pharmacy, Sawantwadi, on 19th December 2022.

Event Details:

The event was organized in three sessions with three different speakers from various experience background. In the morning, the event was inaugurated with a traditional Lamp Lightning Ceremony by the auspicious hands of Principal and other delegates.

The First Industrial Expert Lecture was conducted by **Ms. Bhakti R. Mayekar**, *Quality Control Officer & Member of Audit Tral Committee, Corporate FDC Pharma Ltd., Goa* on the Topic “**Industrial Guideline & Ethics**”. Ms. Bhakti R. Mayekar, who is also an alumnus of Yashwatrao Bhonsale College of Pharmacy, Sawantwadi, explained the importance of discipline, punctuality, honesty and ethical practices in the pharma industries. She shared her day-to-day experiences with the students in very energetic interactive way.

In the second Lecture, **Mr. Sandeep J. Nanoskar**, *Senior Quality Executive, Centaur Pharmaceuticals Pvt. Ltd., Mapusa, Goa*, shared his knowledge on “Good Manufacturing Practices.” He mentioned that, in pharma industries Quality has the utmost priority and that can be achieved by performing all the activities carefully in step-by-step manner. To ensure this, every industry provides some important standard guidelines, which are known as GMP.

In the post lunch session, **Mr. Sanjeev Gubbi**, *Project Manager, R & D, Teva Pharmaceuticals, Goa* had an interaction with students on, “Basics of Tablet Manufacturing- Industrial Perspective.” In this very interactive session, he let the student recall & repeat the fundamentals of Tablet Manufacturing Processes, problems related to tablet manufacturing and then very fluently explained how the industry look at these basics, how they face & solve the problems etc.

These Industrial Expert Lectures were mainly targeted for the Third and Final Year B. Pharm. and Second Year D. Pharm. students. Total 327 delegates get benefited from these expert lectures.

In the beginning of the event, Mr. Styajit P. Sathe, Principal, YBDP, elaborated on the objectives of such Expert lectures. Dr. Vijay A. Jagtap, Principal, YBCP, mentioned the difference between taking knowledge in institute and implementing it in industry. He also focused on importance of sharing experiences of industrial persons to students to make them industry ready.

Dr. Vijay A. Jagtap, Principal, YBCP, along with Mr. Styajit P. Sathe, Principal, YBDP and Mr. Omkar Pendse, HOD, Integrated D. Pharm., YBCP took lead to complete this event.

The entire event was hosted by Ms. Supriya B. Rawool and coordinated by Ms. Namita Bhosale, (Coordinator, YBCP), Ms. Gouravi Sonsurkar (Coordinator, YBCP), Ms. Supriya B. Rawool (Integrated D. Pharmacy, YBCP) and Ms. Bhagyashri Haldankar (Non-Integrated D. Pharmacy, YBDP).
