## **OBJECTIVE:**

With the current increase in pharmacy school enrollment contributing to a more competitive job market, novel and nontraditional career paths may become a more viable option for pharmacy school graduates. One unique route that graduates can pursue is a pharmaceutical industry fellowship program. Pharmacy fellowships are intended to prepare pharmacy graduates for careers in research or the pharmaceutical industry. Fellowship programs open many doors for graduating pharmacists and can set them up for a successful and meaningful industry career. Hence, the Guest lecture was organized to make aware the students regarding different fellowships in this field.

## **About The Programme:**

PLAN B club & Training & Placement Cell of Yashwantrao Bhonsale College of Pharmacy organized an Expert Talk on “Fellowship opportunities for research after B. Pharmacy” on 26<sup>th</sup> August 2022 from 10.30 am onwards. For the said program Dr. V. A. Jagtap- Principal, Dr. R. K. Barse sir - PG Head YBCP, Guest Speaker Hon. Mr. Vishal Beldar sir - Research associate, Department of Pharmaceutical Sciences and Technology, ICT, Jalna, Students of Third and Final Year B. Pharm, Faculty members, TPC coordinators Ms. N. S Bhosale and Ms. G. H. Sonsurkar were present.

The program started with welcoming all guests & participants proceeded with lamp lighting. Ms. Namita Bhosale gave a brief introduction of the Guest Speakers & highlighted the objective of TPC behind arranging this guest lecture for students. Later, the Principal, Dr. V. A. Jagtap, presented a welcome address.

Mr. Vishal Beldar Sir conducted a session for students to make them understand the scope and opportunities after B. pharmacy. The main aim was to guide students about new trades after B. Pharmacy. Mr. Beldar sir presented various courses for higher studies including master’s courses, Post graduation diploma courses, and Ph.D. courses. He shared various available fellowships for the same courses and also the platform for searching for the same fellowship. He guided students on how to search for collaboration or fellowships or opportunities in research. He also solved the queries of the students and teachers in question-answer sessions. A Guest lecture was a grand success and efforts put in by Training Placement Cell proved to be fruitful under the guidance of Dr. Vijay Jagtap and the PLAN B club & successfully organized by TPC coordinators.

**PO ATTAINMENT:**

- Planning abilities
- Problem analysis
- Modern tool usage
