INTRODUCTION:

Introduce an excellent opportunity "WEnyan-Women Scholarship Program" by Pune Knowledge Cluster(PKC)- in association with BASF Chemicals India Pvt. Ltd. The program aims to offer funding support, mentorship and entrepreneurial skill development to deserving women candidates from low-income groups in Maharashtra. This scholarship is open to students from chemistry or allied areas such as *Applied Natural Sciences, Specialty Chemicals, Agri-Chemicals, New Materials, Sustainability etc.* To introduce the importance of WEnyan-Women Scholarship to the B. Pharm final year year B.pharm students & second year M. pharm who will be dealing newly to the professional world of Pharmacy, "WEnyan-Women Scholarship Program" by Pune Knowledge Cluster(PKC)- in association with BASF Chemicals India Pvt. Ltd a by Dr. Ritika Ganguly (**project manager– PKC Pune**) was arranged by **EDC and Plan B Club on 9th August 2023** (online), as **preplanned program on 10th July was cancelled due to monsoon issues at Konkan.**

Objectives:

1. It will help to build professional networks & mentoring groups,
2. Allow young researchers to interact with women role models & benefit from peer to peer learning
3. To help them nurture leadership skills
4. Encouraging women-led science-based start-ups in India.

About the program:

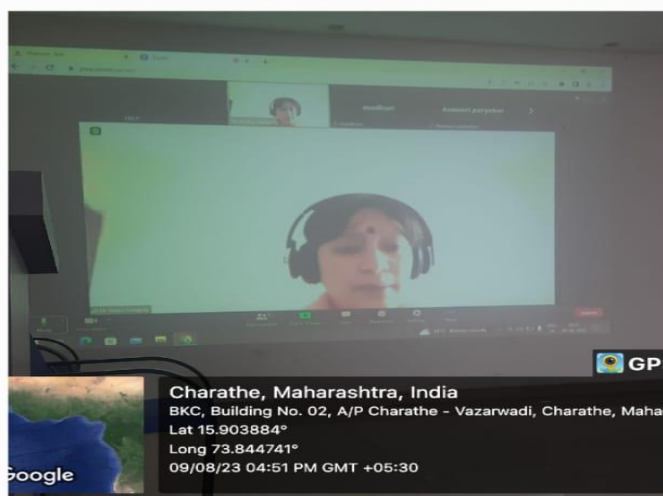

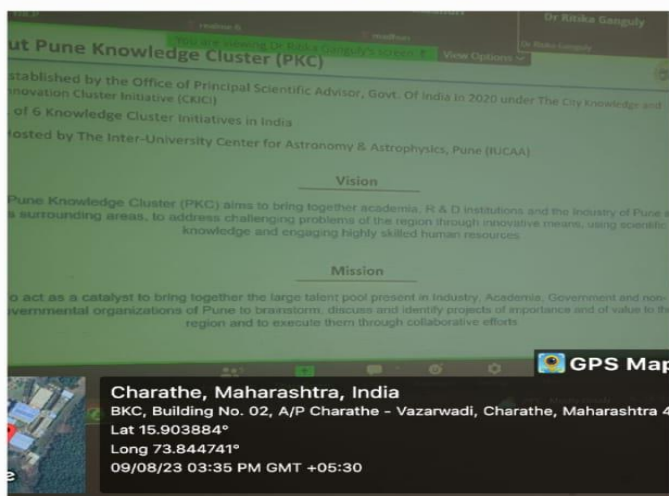

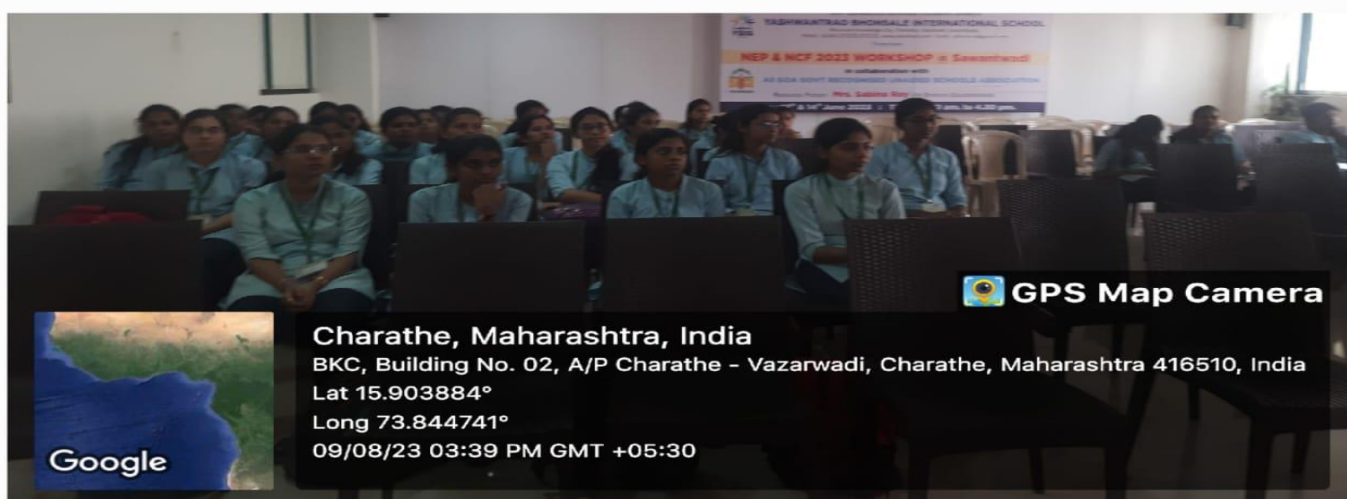

Like all other events, to make this event even a blessed one, a lamp lighting ceremony was conducted. Further the program was put forward by Dr. Rohan Barse who gave a brief introduction of Dr. Ritika Ganguly and requested her to conduct the informative program about Awareness on A scholarship program for Women in Chemistry and allied areas. Mam provided information and guide to the fourth-year B. pharm girl students and second-year M. pharm girl students regarding WEnyan-Women Scholarship.

The event was concluded after girls' queries regarding scholarship were resolved.
